

Nemont Unlimited Long Distance Acceptable Use Policy

Nemont Long Distance (NLD) offers unlimited long distance to Nemont residential landline customers purchasing DSL (high speed) Internet service. Unlimited long distance is available for direct-dialed domestic voice calls within the 48 contiguous states. It does not include calls beginning with a 900 number prefix, calls beginning with an 800 number prefix (toll free), calling card calls, international calls, directory assistance, operator assistance, multi-line conference calls, chat services or data services. It is not intended for use to connect to Internet service providers, data providers or information services. Commercial facsimile, auto-redialing, home business use, home employee use, resale and telemarketing are also strictly prohibited.

The monthly recurring charge is subject to applicable taxes and tariffs. Regulations and rates are subject to change. Call detail records are not provided.

Should NLD determine that usage is not consistent with residential customer voice usage, NLD reserves the right to immediately suspend, restrict, bill usage charges or cancel your service without prior notice. This policy is subject to change without prior notice.
