3. If you wish to change the current "forward-to" number, dial 0 and then follow the voice instructions.

*Notes: You may press 1, 0, #, or \* at any time rather than waiting for the voice instructions. The list you create here is separate from any other lists you may be using for Priority Call, Call Acceptance, Call Rejection Anonymous, and similar services.*

*This service can work with Call Forward (all calls). Numbers on your preferred list will follow you to your Call Forward Select number. All other calls will be routed to your regular Call Forward number.*
